There will be 8 jumps – it is up to the handler to choose a course in which 10 jumps must be jumped. You can jump these as many times as you like and in any order but once a pole

has dropped this jump cannot be used again.

Each jump has a point value 1 to 9 with one jump being the joker which has 15 points. This jump will be chosen by the committee but they will not reveal which one it is till the end of the class.

The horse with the highest score at the end is the winner

Please Note: Actual age of the horse must be 36 months

There will be 8 jumps – it is up to the handler to choose a course in which 10 jumps must be jumped. You can jump these as many times as you like and in any order but once a pole has dropped this jump cannot be used again.

Each jump has a point value 1 to 9 with one jump being the joker which has 15 points. This jump will be chosen by the committee but they will not reveal which one it is till the end of the class.

The horse with the highest score at the end is the winner

Please Note: Actual age of the horse must be 36 months
